Rabbit Love Ring

Don't worry, be hoppy

Hey there, hop stuff. With firm, flexible bunny ears and 10 vibration modes for frisky fun-times, this velvety rabbit love ring will have you both doing bunny hops around the bedroom.

How to use

Unscrew the base of the bullet vibrator. Remove the paper disc. Replace the base.

Cover the love ring, your penis and your testicles with water-based lubricant. Slide the smaller ring down to the base of your penis. Slide the larger ring around your testicles.

Press the power button to start the vibrations. Press repeatedly to move through the 3 speeds and 7 patterns. Press and hold the power button to turn it off.

Clean after use with sex toy cleaner and leave to air dry.

If you're not going to use your toy for a few days, remove the battery.
